Palestinian Circus School

Volunteering with Palestinian Circus School
Volunteer with the Palestinian Circus School and become a part of their work to promote and support the Palestinian civil society through circus and artistry.
- Exchange your knowledge and expertise within the field of circus
- Practice and develop your skills in a whole new political and cultural context and be part of *Palestinian Circus Schools* work with creativity through circus and creating positive change
- Expand your network to the Palestinian circus scene and be part of a dynamic and inspiring team
- Volunteer and share your experience within a meaningful setting and take part in the artistic exchange between Denmark and Palestine

The Organization
Palestinian Circus School was founded in 2006 by Shadi Zmorrod and Jessika Devlieghere to introduce circus arts to Palestinians. *Palestinian Circus School* aims to strengthen the creative, social, and physical potential of Palestinians through teaching, creating, performing, and programming circus arts, hereby seeking to engage and empower Palestinians to become constructive actors in society and raise local and international awareness about the positive Palestinian potential and its different challenges.

Located in Birzeit - Ramallah, Palestine.
